Professional **Aquatic Weed Control Services**

Dear Lake Shore Property Owner, 3/30/2021

The intent of this letter is to notify you that the Lower Turtle Lake Management District (LTLMD) has hired Northern Aquatic Services, an herbicide application company, to treat Curly-leaf pondweed (CLP), a non-native, invasive aquatic plant species in Lower Turtle Lake. The Wisconsin DNR has issued a permit to treat roughly 8.62 acres. The Trade Name herbicide to be used to treat CLP is Aquathol K. This herbicide has been labeled for aquatic use by the Environmental Protection Agency. *Any water usage restrictions for the treated area will be posted on yellow signs in the treated areas.*

You may view a copy of the application at the following website:
<https://leapsllc.com/index.php/lower-turtle-lake-management-district/>

Questions concerning the treatment can be directed to Steven Miller, Chair of the LTLMD at 651-375-4266, Northern Aquatic Services at 715-495-5252, Tyler Mesalk of the Wisconsin DNR at 715- 416-5066, or Dave Blumer from Lake Education and Planning Services at 715-642-0635. A chemical fact sheet and herbicide label is available upon request. Management actions would be completed between ice out and May 31, 2021.

Sincerely,

Dale Dressel
Northern Aquatic Services
