Professional **Aquatic Weed Control** Services

Dear Lake Shore Property Owner, 3/31/2021

The intent of this letter is to notify you that the Osprey Lake Property Owners Association (OLPOA) has hired Northern Aquatic Services, an herbicide application company, to treat Eurasian watermilfoil (EWM), a non-native, invasive aquatic plant species in Osprey Lake. The Wisconsin DNR has issued a permit to treat roughly 4.0 acres. The Trade Names of the herbicides to be used to treat EWM are Shredder Amine 4 and ProcellaCOR. These herbicides have been labeled for aquatic use by the Environmental Protection Agency. Any water usage restrictions for the treated area will be posted on **yellow signs** in the treated areas.

You may view a copy of the application at the following website: <http://ospreylake.org/>

Questions concerning the treatment can be directed to PJ Schaefer, President of the OLPOA at 715-210-0205, Northern Aquatic Services at 715-495-5252, Tyler Mesalk of the Wisconsin DNR at 715- 416-5066, or Dave Blumer from Lake Education and Planning Services at 715-642-0635. Chemical fact sheets and herbicide labels are available upon request. Management actions would be completed between ice out and June 15, 2021.

Sincerely,

Dale Dressel
Northern Aquatic Services
